The criteria for shortlisting vary across IIMs. Please visit the admission websites of respective IIMs for further information.

ADMISSION PROCESS

Please note that each IIM shortlists candidates for second stage of selection which may be independent of each other. The process may include Written Ability Test (WAT), Group Discussion (GD) and Personal Interviews (PI). Performance in CAT 2018 examination is an important component in the admission process. IIMs may additionally use other factors like previous academic performance of the candidates, relevant work experience, gender and academic diversity and other similar inputs in short listing and ranking of candidates at various stages of the admission process. The processes, academic cut-offs and the weights allocated to the evaluation parameters may vary across IIMs. For more information, refer the admissions policies of IIMs from their respective websites.
