Key Areas of Interest

- Graphics and Web Designing
- State, Governance and Sustainable Development
- Supply Chain Evaluation
- Policy Evaluation
- Entrepreneurship

Soft Skills

- Critical thinking
- Decision making
- Communication
- Problem Solving
- Leadership

Education Background

B.E. in Computer Science
Engineering

PANJAB UNIVERSITY, Chandigarh

Projects Led

- Conducted Career counseling and guidance sessions at schools, ITIs and colleges along with District Employment Office and under self initiative too
- Worked with NRLM to establish market linkages for self help groups and connecting them to the skill ecosystem
- Conducted youth aspiration survey on ITI students
- Assisted District Employment Office and HPKVN in organizing job fair
- Drafted District Skill Development Plan for the district

Achievements

May 2022 Received a certificate of appreciation from the ADC, Bilaspur for being a resource person of aptitude preparation for different competitive exams at seminar organised by District Administration

Key Learnings

- Understood various aspects of a project and how to increase its effectiveness and efficiency
- Prepared case studies on the skilling ecosystem and communicated the insights of these reports to relevant stakeholders.
- Learned about the bureaucratic complexities and potential conflicts that could arise during the formulation of policies
- Application of intersectional lens while formulating any policies or plans in the district.
- Propose spending plans and upgrades based on the lessons learned above.

A STORY OF TRANSFORMATION

Jasbir Singh (Bilaspur) (Himachal Pradesh)

Career Counselling in Government Schools

- For students in classes 9th to 12th
- Beneficiary - Government schools' students and teachers
- Timeline-December,2021 onwards
- Departments of Higher Education and District Employment Exchange
- Starting and activating counselling cell in each school

Impact

Students who availed counselling services showed a significant improvement in their ability to make informed decisions about their academic and career paths. Workshops and seminars exposed students to a variety of career options they were not previously aware of, encouraging them to explore new possibilities. Interaction with successful professionals motivated students to work harder towards their career goals and strive for excellence.

Way Forward

- Increased Funding:** Allocate more funds to expand the project to additional government schools and provide continuous support.
- Capacity Building:** Conduct regular training sessions and workshops for career counsellors to enhance their skills and knowledge.
- Public-Private Partnerships:** Collaborate with private organisations and NGOs to leverage additional resources and expertise.
- Monitoring and Evaluation:** Implement a robust monitoring and evaluation system to assess the project's impact and identify areas for improvement.
