blended Master of Business Administration (bMBA)

The blended MBA Programme (bMBA) at IIM Lucknow is designed for working professionals and entrepreneurs. It equips participants with advanced management knowledge, strategic thinking, and leadership capabilities, all through a flexible, high-impact learning format.

This two-year, degree-granting MBA blends live online classes with immersive on-campus modules. The curriculum combines academic rigor with real-world application and integrates core courses, electives, and a capstone project. Participants gain access to world-class faculty, a diverse peer network, and digital resources, while continuing in their professional roles. Upon fulfilling all academic requirements, graduates are awarded the Master of Business Administration (MBA) degree.

Programme Objectives

- *Build a strong foundation in core management areas*
- *Enhance critical thinking and analytical problem-solving*
- *Develop strategic insight and leadership acumen*
- *Apply management skills in global, digital, and data-driven settings*
- *Foster innovation, sustainability, and ethical leadership*
- *Promote continuous learning and adaptability*
- *Deliver a rigorous, flexible, and industry-relevant learning experience*

Blended Learning Experience

The bMBA offers an integrated experience combining:

- 1** Live online sessions
- 2** Immersive campus modules for face-to-face engagement
- 3** Case-based teaching, hands-on exercises, project work and peer discussions
- 4** Access to IIM Lucknow's campus, resources and faculty
- 5** Case studies, real-life business problems
- 6** Group and individual projects
- 7** Simulations, role plays, management games

Eligibility Criteria

- **Work Experience:**
