Valid CAT score

*(Detailed admission policy  
will be notified later on IIM  
L website.)*

# INTEGRATED BS & TECH MBA DUAL DEGREE ( 5 YEARS)

LAUNCH YEAR  
2027-28

The Integrated Dual Degree Programme in Artificial Intelligence and Technology Management (BS in Artificial Intelligence + Tech MBA Dual Degree) is specifically designed for students aspiring to earn a graduate degree in Artificial Intelligence in conjunction with an MBA.

Anchored with academic excellence and intellectual rigour of IIM Lucknow, the programme integrates advanced AI and business analytics with management, digital transformation, and ethical governance.

Its unique structure enables students to complete both graduation and an MBA within five years, preparing them for leadership roles at the intersection of technology, business, and society.

## THE IIM LUCKNOW ADVANTAGE

- Legacy of Academic Excellence
- Practical integration through the AI Indriya Labs
- Curriculum benchmarked against leading global institutions like MIT, Carnegie Mellon, Stanford, etc
- Hands-On, Industry-Linked, Practice-Oriented Learning
- Integrated Dual-Degree Pathway
- Future-Ready Career Pathways

Prof. M.P. Gupta  
Director

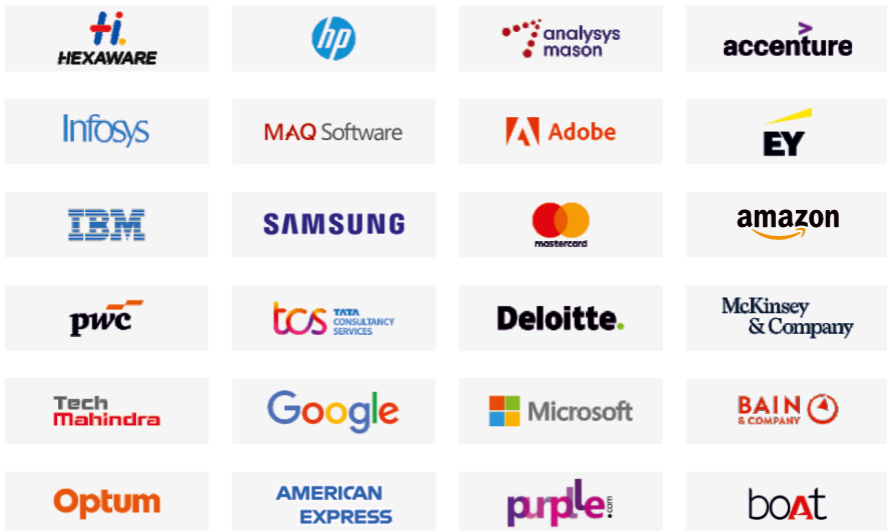

## DIRECTOR'S MESSAGE

Aligned with the India AI Mission, this programme embodies IIM Lucknow's commitment to advancing AI through education, innovation, and impact.

Our goal is to democratize AI education, drive ethical innovation, and strengthen industry partnerships.

By nurturing talent for socially impactful AI solutions, we aim to contribute to national priorities and establish India as a global leader in responsible AI.

## KEY RECRUITERS

## ABOUT IIM LUCKNOW

Indian Institute of Management Lucknow (IIM Lucknow), established in 1984, is one of India's premier and oldest management institutions from IIM family. Ranked consistently among the top B-schools and with triple crown global accreditations, it is recognised for academic excellence, rigorous pedagogy, and strong industry engagement.
