Advertisement for Post-Doctoral Fellowship for Rekhi Centre of Excellence for the Science of Happiness

The Indian Institute of Management (IIM) Lucknow was established in the year 1984. Since then, the Institute has been moulding its students into value driven leaders, managers, and global players. The institute undertakes a diverse range of academic activities aimed at creation, dissemination and application of management knowledge and practice.

IIML's mission is to be a global, socially conscious and integrated school of management, towards management development, both in India and abroad. Towards this, IIML undertakes a diverse range of academic activities and interventions aimed at creation, dissemination, and application of management knowledge and practices.

In 2005, IIM Lucknow expanded its area of influence in the realm of management education by becoming the first IIM to set up a satellite campus at NOIDA in Delhi NCR region.

Rekhi Centre of Excellence Science of Happiness

Rekhi Centre of Excellence for the Science of happiness at Indian Institute of Management Lucknow was established as a result of an MOU between Rekhi Foundation and Indian Institute of Management Lucknow.

The Centre aims to promote research, training and education and the practice of well-being for students, employees, and other stakeholders through the application of happiness and well-being. The activities organized by the centre focuses on expansion of practice and knowledge of happiness science and positive psychology.
