Advertisement for the Post of Research Associate / Senior Research Associate

October 29, 2026

Applications are invited from eligible candidates for **one position** of **Research Associate / Senior Research Associate** in **Operations & Supply Chain Management** Area under **Prof. Yash Daultani** at IIML - Lucknow Campus.

Eligibility Criteria and Job Specification:

Educational and Publication Qualifications:

1) The candidate **must** possess a **Ph.D.** (completed) with specialization in operations & supply chain management / industrial management / industrial engineering or related domains with quantitative rigor, demonstrating **strong research competence** and subject expertise.
2) An excellent academic record with **First division in PG** (preferably M.Tech. / MBA) from a reputed institute or university, completed in regular mode. B.Tech. at UG level will be preferred.
3) At least one research paper published in **ABDC A / ABS 3 / Clarivate Q1** and above listings in a peer-reviewed international journal, reflecting the ability to conduct independent research, apply appropriate methodologies, and contribute to scholarly knowledge.

Desirable Qualifications:

- Preference shall be given to candidates who have demonstrated research experience in publishing high-quality research papers in reputed journals.
- Command over Python, including experience in analytics, simulation, optimization, statistical modeling, data analysis, and reproducible research workflows.
- Prior experience of working in research/consultancy projects will be an added advantage.

Work Experience:

- Ph.D. with a minimum of 3 years of research experience is required for the position of **Senior Research Associate**
- Ph.D. with a minimum of 2 years of research experience is required for the position of **Research Associate 'A'.**
- Ph.D. is required for the position of **Research Associate 'B'.**

Candidates must clearly indicate the position they are applying for in their application. Remuneration will be offered within the specified range and will be commensurate with qualifications and experience.

Job Specification:

The selected candidate will assist Prof. Yash Daultani in research related activities, including data analysis, literature review, empirical work, preparation of research output, and any other academic work as assigned.

Emoluments:

The selected candidate will receive a consolidated monthly fellowship ranging from **Rs. 60,000/- to Rs. 70,000/-**, depending on qualifications and post-PhD experience, **plus HRA** as per applicable norms.

Mode of Selection: Applications received in response to advertisement will be scrutinized and only shortlisted candidates will be contacted via email for an interview, which will be conducted online (first stage). Final selection stage can be offline/online.

General Terms and Conditions:

1) **The position is purely contractual in nature.** The candidate selected for the above post will be appointed on a contractual basis for an initial period of **11 months**, which may be extended further based on performance and institute requirements.
2) Incomplete/Ineligible applications will be deemed invalid and rejected without intimation to the candidate. Only the eligible candidates will be called for the interview.
3) Only selected candidates will be intimated. No other query will be entertained.
4) No TA/DA will be paid for attending the interview, if called for.
5) Canvassing through any means will be taken seriously and the candidate is liable to be rejected.

How to apply:

Interested candidates should apply and send their CV to yash.daultani@iiml.ac.in

No other mode of application will be accepted.

Deadline: Applications must be received by 8 November 2026.
