IIM Road, Lucknow

No. IIML/Proj/AMC/Paint/4606/26

Date: 25.08.2026

Corrigendum-1

(IIML/PROJ/AMC/PAINT/4606/2026 Date: 07.08.2026)

The following amendments have been made in NIT No. IIML/PROJ/AMC/PAINT/4606/2026 Date: 07.08.2026 regarding "Annual Maintenance Contract for Painting works for 2 years at IIM Lucknow"

Sl. No.	Details of Corrigendum
1.	"The painting would be executed by spray paint machine". Painting to be done upto the satisfaction of the user. No claim about the number of coats will be considered.
2.	The decision whether spray paint is required for a particular location will be made by E-in-C.
3.	Necessary details should be provided by the vendors/contractors regarding the "Spray Machine and Sandpapering machine" alongwith the technical bid of the tender. Treat this condition as MANDATORY . If the tender has already been uploaded by the contractor, kindly revise the Tender and BOQ as per the conditions given above.
4.	In view of the above corrigendum, the last date of Bid Submission is extended upto 03-09-2026

(Signature of contractor)

3.0 INSTRUCTIONS TO TENDERERS

The Bidders must understand that this is annual Painting Rate contract. Separate work orders will be given after taking Approval for respective works. The Quantum and amount of every workorder can vary from a small amount in hundreds to lakhs. Since, the work will be generated on requirement basis so it can happen that at times there is no work and at times there is excessive works. The contractor will have to mobilize the site as per the work requirement and will have to complete the work within the time period given in respective work order. Any work being executed by the contractor (may be any small or big) has to be executed as per laid down S.O.P, Specifications, quality norms and workmanship. No claim regarding very less quantum of work, excess work, nonavailability of manpower etc. will be entertained. **The institute reserve the rights to give work order of any type of work any time of the year to the AMC contractor, the contractor cannot deny or give any excuse for not executing any work order and time lines given.**

Bidders are also advised to thoroughly read the tender document and Tender conditions visit the site and understand the type of work before bidding to avoid any confusion.

- 3.1 Indian Institute of Management shall not be bound to accept the lowest tender and reserves the right to reject any or all the Tenders without assigning any reason.
- 3.2 Tender Documents shall be duly filled & uploaded within the last date of submission as mentioned in the tender notice. Late tenders and conditional tenders shall not be accepted. The last date for receipt of Tender will not be extended under any circumstances, unless otherwise the date is declared a holiday for IIM Lucknow, in which case the next working day will be treated as the last date of receipt of Tender document.
If by mistake any conditional tender gets accepted or work gets awarded and later that condition is/ are recognized or is/ are shown or emphasized by the contractor to be implemented then his awarded work can be cancelled by the Institute. The Contractor will have no claim in the regards.
- 3.3 Financial bid must be filled and submitted in the prescribed formats given on the CPP portal separately. A sample format of the Financial bid has been attached with the Technical bid just for the understanding of the bidders. This is required to be kept blank and just signed and stamped along with the other documents of this Tender. If filled in financial bid is found along with the Technical bid of this Tender, then the Tender shall be straight away rejected.
- 3.4 Tender must be valid for a minimum period of 120 days from the date of opening. If the Tenderers modifies his tender or revokes the same during this period, the tender may, at the discretion of IIM Authorities, be treated as non – bonafied and cancelled and earnest money will be forfeited.
- 3.5 This being a percentage rate contract, the rate quoted shall remain firm and errors if any in the extension/ total shall be subject to corrections. The Estimated quantities/ Amount of Work involved stipulated above/ in the price bid are approximate and hence any reduction / increase thereof during the currency of the contract shall not vitiate the contract. The approximate estimate value of this work is indicated in NIT. This estimates however no guarantee is and is merely given as rough guide, and if the work costs more or less, Tenderers will have no claim on that account.
- 3.6 This is a Percentage Rate Tender. Percentage Rates to be quoted above or below the estimated cost shall be applicable to each and every painting and painting related item given in the BOQ. The rate quoted by the tenderer shall be the total sum of material & labor at the IIM Lucknow campus, Lucknow including of GST. **The rates given in BOQ / Price Bid are just reference rates and are inclusive of GST component applicable as on date.**

There is no link with any DSR item/ subitems. No claim by the contractor for any escalation/ relaxation/ cost index/ fuel etc. component addition will be considered by the Institute during the contract period no matter whatsoever ruling/ policy is implemented by CPWD or any other department. So whatsoever percentage below or above quoted by bidder shall be inclusive of GST @ 18% as applicable for each and every item. The reverse calculation of GST component from the overall billed amount will be done while processing the bill. GST TDS (CGST, SGST) of 2% shall also be deducted from each and every bill of contractor.

In case there is variation occur in GST rates as per Govt. of India i.e if GST variation in rate is above 18% then additional percentage above 18% (Applicable rate% - 18%) shall be paid by the Institute and if GST variation in rate is reduced from 18% then the percentage difference below 18 % (18 % - Applicable Rate) will be recovered from the contractor Account

- 3.7 if any discrepancy / misprint is Noticed in specification or BOQ or rates or unit, it should be clarified from the Institute before quoting the rate.
If any discrepancy in between the price bid format of this Tender document and macros enabled excel file of the actual price bid on CPP portal is observed by the Bidder or if any item unit/ rates are found illogical/ impractical then in that case the same has to be brought to the notice of the Institute before the last date of submission. So that the required correction/ corrigendum can be made. If such issue is found at the later stage after award of the work either by the Contractor or by the Institute; then the logical decision based on the standard practice and as per the Institute's internal documentation shall be taken by the Institute and the same decision will be binding to the contractor and no claim whatsoever will be entertained in this regard.
- 3.8 Following procedures shall be adopted in case of difference in quoted rates in figures and words and extensions:
 - a. Where there is difference between rates in figures and the rates, quoted in words shall be considered as correct.
 - b. Where the amount of an item is not worked out or it does not correspond to the rate either in figure or in words, the rates quoted in words shall be considered as correct and necessary extension made.
 - c. Where the rate quoted by the tenderer in figures and in words tally, but the amount is not worked out correctly, the rates quoted by the tenderer shall be considered as correct and amount shall be corrected accordingly.
- 3.9 The Indian Institute of Management, Lucknow do not bind themselves to accept the lowest or any other tender and reserve the right to accept or reject any or all the tenders either in full or in part without assigning any reason.
- 3.10 The tender shall be opened & evaluated by the tender committee and the successful tenderer shall be informed.
- 3.11 If any of the document submitted by the tenderer is found fake, even after the acceptance of tender, the contract will be terminated for which the concerned tenderer will itself be responsible and no compensation, etc., will be paid by the IIM, Lucknow.
- 3.12 The Director, Indian Institute of Management, Lucknow has reserves the right to reject one or all the tenders without assigning any reason. No claim, whatsoever, shall be entertained on this account.
- 3.13 5% of the payable bill value of each work will be retained from each bill as defect liability period & shall be released after completion of Defect Liability Period. The Defect liability period shall be separately mentioned in each work order issued by Engineer In charge for

respective works. In general, the Defect liability for repair works is 6 months and for new works is 12 months from the date of completion of respective work awarded through the respective work order. No interest shall be paid on amount. The Retention money/ Security Deposit deducted above for different works awarded through separate work orders shall be refunded to the contractor after the completion of the stipulated Defect liability period of respective work order.

- 3.14 This being Percentage Rate contract, the rate quoted shall remain firm and errors if any in the extension / total shall be subject to corrections. The Estimated quantities/ Amount of Work involved stipulated above/ in the price bid are approximate and hence any reduction / increase thereof during the currency of the contract shall not vitiate the contract. The approximate estimate value of this work is indicated in NIT. This estimate and Quantity however are not guarantee and merely given as rough guide, and if the work costs more or less or the Quantities varies to any extent plus or minus, Tenderers will have no claim on that account.
- 3.15 The tenderer shall not be at liberty to withdraw or modify his tender or any terms and conditions thereof before the expiry of said period. Tenderers are expected to clarify only such points as asked for specifically by the Accepting Officer in writing. Any withdrawal or modification made within the said period constitutes breach of contract and the tenderer shall be liable for damages to the Institute in consequence thereof. He shall, in addition, forfeit to the Institute the EMD.
- 3.16 Any tender which propose any alterations to any of the conditions lay down or proposes any other conditions of any description whatsoever is liable to be rejected.
- 3.17 The EMD shall not carry interest and will be refunded to the tenderers, if the tender is not accepted, unless the same is forfeited to the Institute for any breach on his part. If his tender is accepted, the Earnest Money will be converted into Performance Security Deposit as stipulated.
- 3.18 The drawing (if any) should be returned along with the tender documents with duly signed.
- The tender should be accompanied by a certified true copy of the power of attorney of the signatory of the documents.
 - Tenderers shall ensure that their tender is up loaded well in advance before the time and date stipulated in the tender notification/documents.
- 3.19 Under no circumstances will a Father and his Son(s) or other close relations who have business dealing with one another be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tender of both parties liable for rejection.
- 3.20 The submission of a tender by a tenderer implies that he has read all the terms and conditions of contract and has made himself aware of the scope and specifications of the work to be done and local conditions and other factor bearing on the execution of the work.
- 3.21 The agencies whose contract were terminated/ are in litigation with IIM Lucknow or are debarred on account of nonperformance in IIM Lucknow's work or have any criminal case in any police station/ court of India or are not performing and deliberately delaying the work awarded to them by IIM Lucknow, will not be eligible for bidding this tender and their bid will be disqualified.
- 3.22 Since this is an electronic mode of tendering, any manual or mechanical errors committed before uploading or during the process of uploading the document shall bound to be duly accepted by the Tenderers. The Tenderers shall not have claim whatsoever in this regard.
- 3.23 Tenderers are required to make the DATA ENTRY of the Percentage Rate in figure and rate in words, which will be applicable to all the painting related items stipulated in the prescribed format as given in part B of the Tender (financial bid).
- 3.24 The Tenderers shall download and sign the LETTER OF UNDERTAKING of the document and upload the same along with other documents.
- 3.25 Tenders of those Tenderers who fulfill the criteria mentioned above will only be

- considered for opening of Price Bid. Tenders received without earnest money/ copy of MSME certificate (for exemption of Earnest Money Deposit) or those which are incomplete or invalid or conditional will be rejected and no correspondence will be entertained in case of rejection.
- 3.26 Contractors / agencies are subject to be disqualified, even though they meet the qualifying criteria, if they make misleading or false representations in the request, statements and attachments submitted in proof of qualification requirements including holding information and or have record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures, requesting for claims not admissible under the contract conditions, etc.
- 3.27 All dispute and discrepancies relating to this tender shall be governed by law of India and shall be subject to jurisdiction of court at Lucknow U.P. state.
- 3.28 The Institute reserves the right to accept any tender either in full or in part, to reject all the tenders or distribute the work in more than one agency without assigning any reason. Decision of the Institute in this regard shall be final and binding to the Bidder. The bidder/ bidders in such case cannot claim any compensation for change in the scope / Qty. of work.
- 3.29 This instruction shall be deemed to form an integral part of the contract to be entered for this work.
- 3.30 GST/ Taxes: GST or any other tax applicable in respect of inputs procured by the contractor for this contract shall be payable by the Contractor and Institute will not entertain any claim whatsoever in respect of the same. The rates shall be inclusive of GST @ 18%
- 3.31 The tenderers shall depute their authorized representative at the time of opening the tender if they so desire. However, such representatives shall be issued with authorization letter by the tenderers with the signature of representative duly attested.
- 3.32 Where the tender schedule contains special items of work, it will be entirely at the discretion of the Institute to delete these items from the Price Bid and allot these items of work to other Contractors specialized in these works. In such cases, the main Contractor will have to render all necessary co-operation to the other agencies involved so as to ensure smooth progress of all work.
- 3.33 The Contractors responsibility for this contract shall commence from the date of commencement mentioned in the work order which will be issued by the Engineer-in-Charge after acceptance of work.
- 3.34 **The Contractor is not allowed to sublet the works/ contract on back-to-back basis.**
- 3.35 if the tenderer deliberately gives wrong information in his tender or creates conditions favorable for acceptance of his tender, the Accepting Officer reserves the right to reject such tender at any stage, forfeit the EMD, and take Administrative Action against the tenderer like non-issue of tenders etc., as deemed fit by the Accepting Officer.
- 3.36 At any time, even after award of contract also, if it will be found that the tenderers has deliberately given wrong information or false credentials at the time of tender or at any other time in connection with the contract, IIM, Lucknow reserves the right to reject the offer or cancel the contract. And in such case the contractor/tenderer is liable to forfeit the EMD amount including any other action as deemed fit. The contractor / tenderer is also liable to be permanently debarred for participating in any tender process of IIM, Lucknow concerning to any type of work in future.
- 3.37 **PRECEDENCE FOR ACCEPTANCE:** If any contradiction / variance are observed in different components of the tender, the following precedence shall be observed:
- Tender Notice and Instructions to Tenderers shall have precedence over Special condition.
 - Special Conditions shall have precedence over General Conditions of Contract.
 - General Conditions of Contract are available on the IIM Lucknow web site and at the IIML office and shall be the part of the contract. Successful bidder will be required to submit

- the signed hard copy of the same After issuing of LOI to him before start of work.
- d. In regard to the conditions, specifications, approved makes and mode of measurement not covered above, those contained in DAR 2023/ CPWD / Specification shall apply.
 - e. However, the Engineer-In-Charge shall be sole deciding authority with regard to the intention of the document and his decision in this respect shall be final and binding on the contractor.
- 3.38 The tenderer shall not increase their quoted rates in case the Accepting Officer negotiates for reduction in rates; such negotiations shall not amount to cancellation or withdrawal of the original offer and the rates originally quoted shall be binding on the tenderer.
- 3.39 It is expected the contractor being the Authorized dealer/ distributor of the paint manufacturer shall SUPPLY and APPLY the nontrade raw material directly supplied by the Manufacturer.
- 3.40 **Rate quoted to include:**
- a) Working hours as per office timings and over time.
 - b) Movement of men, material and stacking all as directed by the Engineer-in- Charge.
 - c) Removing of surplus materials and stacking all as directed by the Engineer-in-Charge.
- 3.41 Before tendering the tenderers are advised to inspect the site of work; and its environments and be well acquainted with the actual working, restrictions in campus area, security procedures for entry of men and material, prevalent conditions, position of materials and labour, General and Special Conditions of contract, Instructions to Tenderers, drawing (if any) and Specifications, DSR and all other documents which form part of the agreement to be enlisted into.
- 3.42 In the event of a tender being submitted by a Partnership Firm the tender must be signed separately and legibly by each partner member of the Firm or in their absence a person holding the power of attorney on behalf of the Firm concerned. In the latter case, a copy of the power of attorney duly attested by a Gazetted Officer must accompany the tender.
- 3.43 The successful tenderer shall submit additional Initial Performance security of 3% of Contract Value in case EMD was submitted. The EMD submitted in this case will also be converted to performance security. In case the Exemption has under MSME is given for EMD then 5 % of the contract value has to be submitted as performance security in form of DD/FDR/Bank Guarantee in favor of Director, Indian Institute of Management, Lucknow within 15 days of award of work. A maximum Grace period of 3 Days will be given after levy of penalty equal to 1 % of performance security value per Day. If in case after 18 days of issue of LOI the Performance security is not deposited unless otherwise any extension had been granted by IIM Lucknow then the Work awarded/ LOI issued will be straightaway considered as Terminated.
- Similarly, Agreement on Rs 100 stamp paper will be required to be executed within 15 days of issue of LOI and if the contractor fails to get the agreement done within 15 days unless otherwise any extension had been granted by IIM Lucknow then the Work awarded/ LOI issued will be straightaway considered as Terminated.
- The performance security (3%+2%) shall be released after 90 days of satisfactory completion of contract which is 2 years or the extended period of contract or the completion date of last work awarded till the completion/ extended date whichever is last.

The Dean (Infra) Office
For Indian Institute of Management Lucknow

PART A

(TECHNICAL BID)

GENERAL CONDITIONS OF THE CONTRACT

General conditions of the Contract are available at the IIM Lucknow web site and at Project Division Office. These conditions shall be the part of this contract. The successful Bidder shall be required to submit the signed hard copy of these General Terms and Conditions after issue of LOI and before starting of the work.

5.0 SPECIAL CONDITIONS OF THE CONTRACT

4.0 NAME OF WORK

Annual Maintenance Contract for Painting Works at IIM Campus, Prabandh Nagar, IIM Road, Lucknow.

4.1 OWNER

Indian Institute of Management, Prabandh Nagar, IIM Road, Lucknow-226 013.

4.2 ENGINEER/ENGINEER-IN-CHARGE

Executive Engineer, IIM or any person designated from time to time by owner and shall include those who are expressly authorized by him to act for and on his behalf for operation of this contract.

4.3 SCOPE OF WORK

This is a painting maintenance contract for the Offices, Hostels, Residential houses, Common areas, recreation areas, Boundary wall etc. within the IIM Lucknow Campus. These buildings and structures are scattered inside the IIM Lucknow Campus which approx. 200 Acres in area.

The Type of paints to be used has been specified in the BOQ. Different works shall be awarded through respective work orders along with the BOQ containing the required items of the price bid and their quantities after prior Approval of the competent Authority.

The contractor shall be required to strictly adhere to the Quality control, CPWD Specification for painting works and provide the painting finish up to the satisfaction of User department/ engineer in charge (as the case may be).

Mainly there shall be two type of works i.e.:

- a) Complete painting of the old walls and ceilings.
- b) Touchup/ repair / partial painting of the walls and ceilings:

The contractor is required to prepare the surface properly by scrapping/ rubbing with sand paper to remove the grease/ oily/ chipped/ powdered/ peeling/ fungus/ algae etc. Suitable Putty so as to adhere to the old painted / cemented surface shall be applied. The completed surface shall be again rubbed with sand paper so as to get a smooth and even surface. Then a suitable primer which can adhere to the putty/ old paint/ cement and the new paint (to be Applied) shall be applied in required no. of coats. Then the same shall be again rubbed to get the even and smooth surface and Then the Desired type of Paint to be applied in required no of Coats so as to get smooth even and uniform color finish over the wall. Each and every stage is required to be inspected by the concerned engineer/ officer and photographed before applying the other stage.

The contractor shall have to execute the work in such place and conditions where other agencies will also be engaged for other works such as electrical work etc. No claim shall be entertained due to work being executed in the above circumstances. No coordination charges will be paid on this account.

4.4 CONTRACT RATES

The contract rates are for work to be done in IIM Campus, Lucknow and shall be firm throughout the currency of the contract including the extended period, if any, and shall not be subjected to any escalation due to any reason whatsoever it may be.

No escalation claim shall be entertained for any statutory increase by the Local Authorities, State/Central Government during the contract period.

The quantities mentioned in the Financial bid are tentative. The rates quoted in tender and as accepted by the owner with or without modification shall hold good for any increase/decrease in quantities. Any of the items may be deleted as per directions of owner/Engineer-in-Charge.

4.5 LEVY/TAXES PAYABLE BY CONTRACTOR

Building and other Construction Workers Welfare Cess or any other tax, levy or Cess in respect of input for or output by this contract shall be payable by the contractor and IIML shall not entertain any claim whatsoever in this respect. The contractor shall deposit royalty and obtain necessary permit for supply of the red bajri, stone, kankar, etc. from local authorities (if applicable as per the applicable law of land). If pursuant to or under any law, notification or order any royalty, cess or the like becomes payable by the Institute and does not any time become payable by the contractor to the State Government, Local authorities in respect of any material used by the contractor in the works, then in such a case, it shall be lawful to IIM, Lucknow and it will have the right and be entitled to recover the amount paid in the circumstances as aforesaid from dues of the contractor.

Conditions for reimbursement/ recovery of levy/taxes if levied after receipt of Tenders

- (i) All tendered rates shall be inclusive of any tax, levy or cess applicable on last stipulated date of receipt of tender including extension if any. No adjustment i.e. increase or decrease shall be made for any variation in the rate of, Building and Other Construction Workers Welfare Cess or any tax, levy or cess applicable on inputs. However, effect of variation in rates of GST or Building and Other Construction Workers Welfare Cess or imposition or repeal of any other tax, levy or cess applicable on output of the works contract shall be adjusted on either side, increase or decrease. Provided further that for Building and Other Construction Workers Welfare Cess or any tax, levy or cess varied or imposed after the last date of receipt of tender including extension if any, any increase shall be reimbursed to the contractor only if the contractor necessarily and properly pays such increased amount of taxes/levies/cess. Provided further that such increase including GST shall not be made in the extended period of contract for which the contractor alone is responsible for delay as determined by authority for extension of time.

All rates shall be inclusive of GST.

- (ii) The contractor shall keep necessary books of accounts and other documents for the purpose of this condition as may be necessary and shall allow inspection of the same by a duly authorized representative of the Government and/or the Engineer-in-Charge and shall also furnish such other information/document as the Engineer-in-Charge may require from time to time.
- (iii) The contractor shall, within a period of 30 days of the imposition of any further tax or levy or cess, or variation or repeal of tax or levy or cess/ reduction of such taxes/ cess etc. shall give a written notice thereof to the Engineer-in-charge that the same is given pursuant to this condition, together with all necessary information relating thereto. Decision of the Director of the Institute in this regard to either compensate/ recover the changes in the rates of taxes/ levy of cess etc. as the case may be shall be final and binding to the Contractor.

4.6 ESI & PF CODE

The contractors are required to comply with the provisions of ESI & PF act as per applicability. The contractor shall be required to indemnify IIM for any liabilities arising on account of ESI & PF act.

- 4.7 The records / registers which Engineer- In- Charge considers necessary for monitoring the works & Inspection by chief technical Examiner are to be maintained at site in co-ordination with Engineer-In-Charge and Agency.

4.8 **COMMENCEMENT DATE**

The date of commencement of work shall be 7 days from the date of issue of the Letter of Intent. The contractor shall have to submit Performance Guarantee as stipulated above within 15 days from the date of issue of Letter of Intent. P.G. if not submitted with max 18 days as mentioned in clause 3.44. Can be straight away terminated. Work order for the works awarded during the AMC period shall be issued for separate works with the completion date/period stipulated. The contractor is required to start the work within 3 days of issue date of the work order and the work shall be completed within the stipulated time frame. Any work not completed by the contractor/ executed in inferior quality/ unnecessary held up/ disrupted because of any irregularity whatsoever then Engineer In charge/ Competent authority of IIM Lucknow upon serving a 7 days' notice can either terminate the Work order or get the work done by other agency at the risk and cost of contractor and the Contractor will have no claim for compensation in this regard. For execution of work at the risk and cost, first the respective L3, L4 etc. bidders will be asked to work on L1 rates. In case they refuses then IIML can take quotations/ do limited tender among L3, L4 etc. (empaneled agencies) in order to get the work completed in time. If such practice is continued more than 3 times within the contract period by the Contractor then the complete AMC work can be terminated by the Institute and the contractor will be debarred for further bidding with the institute for next 2 years. The scope of work may be increased on similar other buildings, subject to the performance of awarded work. Contractor will maintain a work force at IIML so as to start the ordered work within 24 hours of ordering or as specified while ordering. One person will always available at specified place to receive the order other than work force. Spare Material/ Machinery/ equipment's may be required to be stored by contractor within or outside the Campus to Start the work within 24 hours of ordering or as specified.

4.9 **VARIATION IN QUANTITIES**

The amount of Rs. 60.0 Lakhs per year is taken based on last contract. However, It may Increase/decrease 100% as per the actual work requirements of Institute and the Quantities of each items can vary up to any extent in plus/minus. No claim or compensation what so ever shall be entertained in this regard.

4.10 **AWARD OF WORK**

The first five parties/contractors, based on the rates quoted (L1/L2/L3/L4/L5) will be empaneled with the Institute. However, as per the past practice and requirement for completing the respective works in limited period, the work can be split in between two or more parties and hence the Institute may award the work to two or more contractors (L1 and L2/ L3). In such cases, L2 will be asked for executing the work on L1 rates. If in case L2 disagrees to work on L1 rates then L3 will be given same offer and so on. Further, after the award of the contract to the eligible contractor(s), the remaining empanelled contractor(s) may also be requested to execute the work at the L-1 rates in case the awarded contractor(s) fail to execute any particular assigned work or complete AMC work as a whole. If none of the empanelled contractor(s) agree to undertake the work, the same may be got executed at the risk and cost of the defaulting contractor, as per the terms and conditions of the contract. In such case, in case Institute feels that the two AMC contractor cannot the work in time then the quotations/ limited Tender will be done amongst these empaneled contractors (L3, L4 etc.).

4.11 **PERIOD OF CONTRACT**

The period of contract shall be two years including all holidays, Saturdays & Sundays

from the date of L.O.I. The contractor should inform in writing to renew the contract prior to four months of expiry of contract period if he intends to continue on same rates and conditions after completion of contract period. Decision of Director to allow or not allow for extension of the contract will be final and binding.

4.12 SITE SUPERVISION

Contractor will deploy one Diploma (Civil) Engineer having a minimum 2 years' experience of supervision in similar jobs, at site during the actual course of work and having adequate computer skill. CV's are to be attached with this tender document and approval of CV's are to be taken from the IIM before actual work starts at site.

His duties involve inspection of complaints/work, submitting proposal, accepting work order, direct supervision, measurement and submission of bills. The Bills will be checked by the Institute Engineer. Joint measurement can be done as decided.

Since the work requires proper supervision and management of Labor and material mobilization etc. So, the Billing Engineer should be there with the contractor. Bill has to be prepared in the standard format of the institute by the billing Engineer without any additional charges.

Institute will not be responsible for any measurement not done and bill not submitted by the contractors. It may also be clarified that the institute has the rights to correct/ point out the mistake in the measurement / bills and the contractor has to make these corrections in the bill. Further, contractor has to ensure that the photographic evidence and/ or joint measurement of the items which will be covered are done before covering up that item. Contractor will intimate the concerned Engineer before covering up any such item.

b) PENALTY FOR NON-COMPLIANCE OF REQUIRED MANPOWER:

- i. Diploma holder with minimum Two years' experience: Rs. 20,000/- per month to the maximum value as decided by the Competent Authority.
- ii. Billing Engineer- Rs 20,000/- Per month.

4.13 OFFICE ACCOMMODATION FOR CONTRACTOR'S STAFF

The Contractors shall at his cost provide, fit up and maintain in an approved portion office accommodation for his representative and Contractors staff, which offices shall be open at all reasonable hours to receive instructions, notices or communications and clear away on completion and make good all work disturbed. Charges @ 1% of the work done value shall be levied for occupying space/ store for keeping materials from each bill to the maximum Value as decided by the Competent Authority.

4.14 LIQUIDATED DAMAGES

Shall be 1% of the work order amount per week subject to the maximum of 10% of each order value.

4.15 RUNNING ACCOUNT BILL

The contractor shall prepare and submit the running account bills showing quantities supplied item wise in 2 copies. The bills shall be submitted within one week from the date of completion of work falling which the bills cannot be considered unless the reasons for delay or non-payment are specified. Measurement will be done only on the completion of the work. The contractor has to obtain the User certificate for satisfactory completion of the work as per the Institute's format before raising any Invoice.

4.16 SECURITY DEPOSIT

The successful tenderer shall submit additional Initial Performance security of 3% of Contract Value in case EMD was submitted. The EMD submitted in this case will also be converted to performance security. In case the Exemption under MSME is given for EMD then 5 % of the contract value has to be submitted as performance security in form of DD/ FDR/ Bank Guarantee in favor of Director, Indian Institute of Management, Lucknow within 15 days of award of work. A maximum Grace period of 3 Days will be given after levy of penalty equal to 1 % of performance security value per Day. If in case after 18 days of issue of LOI, the Performance security is not deposited unless otherwise any extension had been granted by IIM Lucknow then the Work awarded/ LOI issued will be straightaway considered as Terminated.

Similarly, Agreement on Rs 100 stamp paper will be required to be executed within 15 days of issue of LOI and if the contractor fails to get the agreement done within 15 days unless otherwise any extension had been granted by IIM Lucknow then the Work awarded/ LOI issued will be straightaway considered as Terminated.

The performance security (3%+2%) shall be released after 90 days of satisfactory completion of contract which is 2 years or the extended period of contract or the completion date of last work awarded till the completion/ extended date whichever is last.

Security deposit / Retention money 5% shall be deducted from each Running Account Bill of contractor. The Security deposit/ retention money shall be released after the satisfactory completion of defects liability period of the respective work. In general, which will be 6 months from the date of completion of respective works.

If successful tenderer fails to commence the work within 3 days from the date of issue of Work order, the Institute may reject the award of work and get the work done by engaging another agency at the risk and cost of the contractor.

4.17 TESTING OF MATERIALS

Samples of various materials required for testing shall be provided free of charge by the Contractor. Testing charges if any shall be borne by the contractor. All other expenditure required to be incurred for taking the samples, conveyance, packing etc. shall be borne by the contractor himself.

- Regular mandatory test and any additional tests if required, shall be carried out in accordance with the procedure laid down in IS / as directed by Engineer-In-Charge by the contractor at his own cost.
- The testing charges, including the cost of materials to be tested and all other incidental charges such as carriage to the testing laboratory etc., shall be borne entirely by the Contractor and the quoted rates shall be deemed to be inclusive of the same.
- The Contractor may specifically note that the testing shall be done in Govt. / Govt. (NABL) approved laboratory only.

4.18 INSPECTION AND TESTING

The owner or his authorized representatives shall have full power to inspect the work or examine the material. Acceptance of any material shall in no way relieve the contractor of his responsibility for meeting the requirements of the specifications. The contractor shall afford and procure for the owner every facility and assistance to carry out such inspection/tests. The cost of any special tests and/or analysis not called for in this specification shall be borne by the contractor.

The Contractor will use Raw materials as approved by Engineer-In-Charge IIM, Lucknow. And shall keep manufacturer Test certificate of the material used (wherever applicable)

All works generally conform to relevant I.S. Code. Any work that do not conform to the

Applicable I.S. code shall be redone at the cost of contractors.

4.19 LABOUR CAMP

The contractors at his own risk and cost shall establish the Labour Camps outside the site premises. No manpower of the contractor will be allowed to stay inside IIM Lucknow Premises. Contractor will have to make his own arrangement for staying/accommodation for his manpower outside the complex. Nothing extra shall be payable on this account.

4.20 SAMPLES

Test Samples of raw material as per the Instruction of the Engineer Incharge will be prepared by the contractors and same to be tested as per code of practice at the cost of contractor as directed by Engineer- In-Charge.

It shall be the responsibility of the contractor to submit samples of raw material to be used in the execution of the awarded work and any other items as decided by the owner. One such approved sample each shall be kept with the owner and at site for future reference.

4.21 SUB-STANDARD MATERIALS

Any material rejected by the owner shall be removed from the site within 48 hours of Issue of Instructions to this effect by the owner. Failing this, the owner shall have to rights to get these removed at the cost of the contractor and the contractor shall have no claim whatsoever in this regard.

4.22 SPECIFICATION

Contractor shall perform work in accordance with the latest CPWD Specifications and as per the direction of the Engineer In charge.

4.23 DEFECT LIABILITY PERIOD

5 **Six months for repair and 12 months for new works** from the virtual date of completion of work and removal of hutments, materials, maiwa etc. from site.

5.0 CORRESPONDENCE

All correspondence shall be addressed to:

The Dean (Infra) Office,
Chintan Building,
Indian Institute of Management
Prabandh Nagar, IIM Road,
Lucknow – 226013 (U.P.)

5.1 JURISDICTION

The contract will be subject to the territorial jurisdiction of Courts in Lucknow alone.

5.2 The contractor shall indemnify and keep indemnified Indian Institute of Management, Lucknow against payments to be made under and for the observance of the laws aforesaid and the C.P.W.D. Contractor's Labour Regulations without prejudice to his right to claim indemnity from his sub-contractors.

5.3 RULES FOR SAFETY AND LABOUR WELFARE

The Contractor shall comply with the safety and Labour Welfare Rules, as given hereunder and as per the Rules and Regulations framed by Local Authorities/Statutory Bodies/State/Central Govt. from time to time.

Contractor shall also follow instructions of the security of IIM Lucknow for entry and exit of

its workers and movement restrictions.

5.4 SAFETY PRECAUTIONS

Safe means of access shall be provided to all working platforms and other working places. Every ladder shall be securely fixed. Adequate precautions shall be taken to prevent danger from electrical equipment. No materials on any of the sites shall be so stocked or placed as to cause danger or inconvenience to any person of the public. The Contractor shall provide all necessary fencing and lights to protect public from accidents and shall be bound to bear expenses of defense of every suit, action or other proceedings at law that may be brought by any person for injury sustained owing to neglect of the above precautions and to pay any damage and costs which may with the consent of the Contractor be paid to compromise any claim by any such person. All workers should wear Safety helmet, Safety Shoes, Fluorescent Jacket and Safety Belt (if required) during the execution of the work.

NOTE: All scaffolds, ladders, First Aid Equipment's/ Machines and other safety devices mentioned or described herein shall be maintained in a safe condition and no scaffold, ladder or equipment shall be altered or removed while it is in use. Adequate washing facilities shall be provided at or near places of work. Necessary warning sign boards in Red/White paint, with proper lighting arrangements for nights are to be provided by the Contractor at his cost, as approved by the Engineer-In-Charge at prominent locations. The arrangements for providing and maintaining all such safety and labour welfare measures etc., shall be done at the Contractor's own cost and expenses.

5.5 DISPUTE & ARBITRATION

All disputes or differences whatsoever arising between the parties out of or relating to the construction, meaning and operation or effect of this contract or subject thereof or the breach thereof that cannot be settled by good faith and negotiations between the parties within 60 days of the commencement of negotiations may be settled by referring the dispute to the Director, IIM Lucknow, who may appoint an Arbitrator who is unconnected with IIM to adjudicate the same. The proceedings will be governed by the provisions of the Arbitration & Conciliations Act, 1996. The place of arbitral proceedings will be Lucknow.

Other clauses of the agreement can be seen in the Office of Executive Engineer, IIM Lucknow. There shall be for termination, Arbitration, Force Majeure, Extension of time, Completion Certificate, Rules for Safety & Labour welfare, Labour laws etc.

5.6 No mobilization advance will be paid to the contractor.

5.7 If the altered/additional or substituted work or any additional work required to be as per owner's requirement shall be carried out by the contractor on the same conditions in all respects including price on which he agreed to do the main work except as hereafter provided, for which there are no established rates in schedule of items and Delhi Schedule of rates, the same shall be payable as per the provision stated hereunder.

- a) If any extra item crops up during the work (Other than that given in the Work Order), the rate for such item shall be computed as per rates of CPWD/ DSR-2023 with the same percentage above or below as is quoted by the Contractor in the Price Bid).
- b) Rates for items where rate is not available in DSR-2023 shall be derived from the similar item of nearest DSR. If not available in the nearest DSR then in the nearest District Schedule of Rates issued by the Uttar Pradesh PWD department. If the item is not found in DSR and District Schedule of rates then the Percentage Rate from

nearest available Schedule of rates of any Central/ Uttar Pradesh Government Department Shall be considered with whatever applicable Cost Index plus or minus (If any as per relevant Circular from the department) on the schedule of rates considered.

- c) If direct working out is not possible as mentioned in a) & b) above, the contractor shall be paid on the basis of actual cost of material and labor cost plus 15% towards profit, supervision, overheads establishment, plants, machinery etc. as decided by the Competent Authority.
- d) In the case of substituted Items (Items that are taken up with partial substitution or in lieu of Items of work in the contract), the rate for the agreement item (to be substituted) and substituted item shall also be determined in the manner as mentioned in the following para:
 - (I) If the market rate for the substituted item so determined is more than the market rate of the agreement item (to be substituted), the rate payable to the Contractor for the substituted item shall be the rate for the agreement item (to be substituted) so increased to the extent of the difference between the market rates of substituted item and the agreement item (to be substituted).
 - (II) If the market rate for the substituted item so determined is less than the market rate of the agreement item (to be substituted), the rate payable to the contractor for the substituted item shall be the rate for the agreement item (to be substituted) so decreased to the extent of the difference between the market rates of substituted item and the agreement item (to be substituted).

5.8 Termination of Contract:

8	13.48.1	Finishing with Deluxe Multi surface paint system for interiors and exteriors using Primer as per manufacturers specifications : Two or more coats applied on walls @ 1.25 ltr/10 sqm over and including one coat of Special primer applied @ 0.75 ltr/10 sqm	Sqm	250	193.70	48425
9	13.48.2	Painting wood work with Deluxe Multi Surface Paint of required shade. Two or more coat applied @ 0.90 ltr/10 sqm over an under coat of primer applied @0.75 ltr/10 sqm of approved brand and manufacture	Sqm	250	176.25	44062.5

10	13.48.3	Painting Steel work with Deluxe Multi Surface Paint to give an even shade. Two or more coat applied @ 0.90 ltr/10 sqm over an under coat of primer applied @ 0.80 ltr/10 sqm of approved brand and manufacture	Sqm	250	170.70	42675
11	13.48A.1	Finishing walls with ready mixed Premium acrylic emulsion paint (Company Depot Tinted) having VOC less than 50 gm/litre and UV resistance as per IS 15489:2004, Alkali & fungal resistance, dirt resistance exterior paint of required shade with silicon additives. New work (Two or more coats applied @ 1.43 litre/ 10 sqm over and Including priming coat of exterior primer applied @ 0.90 litre/10 sqm.	Sqm	800	181.25	145000
12	13.50	Applying priming coat:				
12.1	13.50.2	With ready mixed aluminium primer of approved brand and manufacture on resinous wood and plywood	Sqm	50	74.65	3732.5
12.2	13.50.3	With ready mixed red oxide zinc chromate primer of approved brand and manufacture on steel galvanised iron/ steel works	Sqm	50	67.40	3370
12.3	13.50.4	With ready mixed red oxide zinc chromate primer of approved brand and manufacture on steel work (second coat)	Sqm	250	36.10	9025
13	13.51	Painting with silicon & acrylic emulsion based water thinnable sealer of approved brand and manufacture on wet or patchy portion of plastered surfaces :				
13.1	13.51.1	One coat	Sqm	400	101.70	40680
13.2	13.51.2	Two coats	Sqm	400	161.70	64680
14	13.52	Finishing with Epoxy paint (two or more coats) at all locations prepared and applied as per manufacturer's specifications including appropriate priming coat, preparation of surface, etc. complete.				
14.1	13.52.1	On steel work	Sqm	100	241.75	24175
14.2	13.52.2	On concrete work	Sqm	2000	235.15	470300

15	13.53.1	Painting on G.S. sheet with synthetic enamel paint of approved brand and manufacture of required colour to give an even shade : New work (two or more coats) including a coat of approved steel primer but excluding a coat of mordant solution	Sqm	250	180.85	45212.5
16	13.54	Applying a coat of mordant solution on G.S. sheet:				
16.1	13.54.1	With a solution of 38 gms of copper acetate in a litre of soft water	Sqm	10	63.35	633.5
16.2	13.54.2	With a solution made of 13 gms of hydrochloric acid in a solution of 13 gms each of copper chloride, copper nitrate and ammonium chloride dissolved in a litre of soft water	Sqm	10	63.05	630.5
17	13.55	Painting (two or more coats) on rain water, soil waste and vent pipes and fittings with black anticorrosive bitumastic paint of approved brand and manufacture, over and including a priming of ready mixed zinc chromate yellow primer on new work:				
17.1	13.55.1	100 mm diameter pipes	Metre	100	76.35	7635
17.2	13.55.2	150 mm diameter pipes	Metre	100	113.80	11380
18	13.56	Painting (two or more coats) on rain water, soil waste and vent pipes and fittings with synthetic enamel paint of approved brand and manufacture and required colour over a priming coat of approved steel primer on new work.				
18.1	13.56.1	100 mm diameter pipes	Metre	100	82.00	8200
18.2	13.56.2	150 mm diameter pipes	Metre	100	122.15	12215
19	13.57	Painting with oil type wood preservative of approved brand and manufacture: New work (two or more coats)	Sqm	50	54.40	2720
20	13.58	Providing and applying two coats of fire retardant paint on cleaned wood / ply surface @ 3.5 sqm per litre per coat including preparation of base surface as per recommendations of manufacturer to make the surface fire retardant.	Sqm	50	334.50	16725
21	13.59	Coal tarring two coats on new work using 0.16 Litre and 0.12 litre coal tar per sqm in the first coat and second coat respectively.	Sqm	50	66.90	3345

23	13.62.1	Painting with synthetic enamel paint of approved brand and manufacture of required colour to give an even shade : Two or more coats on new work over an under coat of suitable shade with ordinary paint of approved brand and manufacture	Sqm	800	226.25	181000
24	13.63.1	Painting with aluminium paint of approved brand and manufacture to give an even shade .Two or more coats on new work	Sqm	10	146.80	1468
25	13.64.1	Painting with acid proof paint of approved brand and manufacture of required colour to give an even shade : Two or more coats on new work	Sqm	50	163.35	8167.5
26	13.65.1	Painting with black anti-corrosive bitumastic paint of approved brand and manufacture to give an even shade : Two or more coats on new work	Sqm	100	140.25	14025
27	13.67	Varnishing with varnish of approved brand and manufacture :				
27.1	13.67.1	Two or more coats of glue sizing with copal varnish over an under coat of flatting varnish	Sqm	200	233.80	46760
27.2	13.67.2	Two or more coats glue sizing with spar varnish or an under coat of flatting varnish	Sqm	200	236.90	47380
28	13.68.1	French spirit polishing : Two or more coats on new works including a coat of wood filler	Sqm	200	446.25	89250
29	13.69.1	Polishing on wood work with ready mixed wax polish of approved brand and manufacture : New work	Sqm	200	197.65	39530
30	13.70	Floor polishing on masonry or concrete floors with wax polish of approved brand and manufacture.	Sqm	200	96.10	19220
31	13.71	Lettering with black Japan paint of approved brand and manufacture	per letter per cm height	50	6.15	307.5

32	13.81.1	Distempering with 1st quality acrylic distemper (ready mixed) having VOC (Volatile Organic Compound) content less than 50 gram/ litre, of approved brand and manufacturer including applying additional coats wherever required to achieve even shade and colour Old work (one or more coats)	Sqm	4000	62.70	250800
33	13.82	Wall painting with acrylic emulsion paint, having VOC (Volatile Organic Compound) content less than 50 grams/ litre, of approved brand and manufacture, including applying additional coats wherever required, to achieve even shade and colour.				
33.1	13.82.1	One coat	Sqm	2000	92.00	184000
33.2	13.82.2	Two coats	Sqm	2000	137.45	274900
34	13.83	Wall painting with premium acrylic emulsion paint of interior grade, having VOC (Volatile Organic Compound) content less than 50 grams/ litre of approved brand and manufacture, including applying additional coats wherever required to achieve even shade and colour.				
34.1	13.83.1	One coat	Sqm	1000	95.45	95450
34.2	13.83.2	Two coats	Sqm	1000	142.80	142800
35	13.85	Applying priming coats with primer of approved brand and manufacture, having low VOC (Volatile Organic Compound) content.		10		0
35.1	13.85.1	With ready mixed pink or grey primer on wood work (hard and soft wood) having VOC content less than 50 grams/ litre	Sqm	100	70.35	7035
35.2	13.85.3	With water thinnable cement primer on wall surface having VOC content less than 50 grams/litre	Sqm	100	73.95	7395
36	13.87	White washing with lime to give an even shade :				
36.1	13.87.1	Old work (two or more coats)	Sqm		22.85	0
36.2	13.87.2	Old work (one or more coats)	Sqm		13.90	0
37	13.92.1	Painting on G.S. sheet with synthetic enamel paint of approved brand and manufacture of required colour to give an even shade : Old work (one or more coats)	Sqm	200	93.30	18660

38	13.93.1	Painting (two or more coats) on rain water, soil, waste and vent pipes and fittings with black anticorrosive bitumastic paint of approved brand and manufacture over and including a priming coat of ready mixed zinc chromate yellow primer on new work : 75 mm diameter pipes	Metre	100	57.25	5725
39	13.94	Painting (one or more coats) on rain water, soil waste and vent pipes and fittings with black anticorrosive bitumastic paint of approved brand and manufacture on old work :
