BRIEF INFORMATION ON SCOPE OF WORK AND TIME LINES.

The Bidders are advised to visit the Site and understand the scope of work, Colour pattern, Design and type of finished required

i. Overview:

- There is a requirement for Re-Plastering work of back side boundary wall of IIM Lucknow Noida Campus. The work involves surface preparation and application of decorative textured coating on external walls.
- Work shall be completed within **30 days** from the date of LOI/ Work Order. Each phase to be completed as per the milestone schedule.
- Since, the location is academic area which is very busy and sensitive so there will be restrictions on working timings. At times/ always there may be the requirement that the permission to work in the day is not allowed and the work has to be done during the non-working hours (early morning and late-night hours) so as to complete the work well within the stipulated time. The working Contractor should not claim for the extra time or Financial or any other compensation for working during these odd hours.
- If the contractor fails to complete the work within the stipulated timelines/ schedule/ Instructed time lines for completion of particular milestone and continue to linger the work/ maintain the pace as per the requirement or fails to work as per the quality specification and details or fails to mobilize the manpower and material as per the requirement of the schedule or intentional delays the work by pointing out irrelevant contractual points then the work can be taken over from the contractor.
- As mentioned above, the building where work is to be done is academic area. So the Contractor has to make the proper arrangement for the isolation of the site from public reach and make sure less noise is generated during working Hours.

Proper Safety precautions of the worker has to be taken.

ii. Scope of Work:

- Dismantling and removal of existing old plaster, skirting and surface preparation including disposal of debris.
- Surface cleaning, raking out joints and preparing the surface smooth including necessary repairs to scratches etc. complete.
- Proper Isolation of the construction/ renovation area should be done by the contractors as per the standard practice.
- Providing and applying 15 mm thick cement plaster (1:4) including [water proofing compound](#) as per BOQ.
- Centring and shuttering including strutting, propping etc. as required. .

Cutting and making popper weep holes for the drainage of water in between the neighbour and Institute' boundary wall.

- Proper curing and finishing as per approved sample and direction of Engineer-in-charge.
- Any other work as per the requirement/ design/BOQ/ instruction as directed by Engineer-in-charge.
- IIML may provide water and Electricity free of cost at one point but the water has to be got tested and should be good for construction, in case the water from IIML is not fit for construction then the contract will have to arrange the construction at his own cost. No payment will be made extra for this construction water and curing water. Further, no compromise on the curing water will be made.
- All material Shall be properly stacked and covered as per the CPCB Norms.
- All the debris/ malva generated should be properly disposed of at the desired location decided by the EIC before completion of the work.
- All the excess raw material should be removed from the site after completion of the work.

Note: Contractor will have to take serious care that no noise is created, proper isolation of the work area keeping the area clean and proper housekeeping of the work area as well as material stacking area etc. needs to be done regularly.

3.5 This being a **percentage rate contract**, the rate quoted shall remain firm and errors if any in the extension / total shall be subject to corrections. The Estimated quantities/ Amount of Work involved stipulated above/ in the price bid are approximate and hence any reduction / increase thereof during the currency of the contract shall not vitiate the contract. The approximate estimate value of this work is indicated in NIT. This estimate is however no guarantee and is merely given as rough guide. If the work costs more or less, Tenderers will have no claim on that account.

3.6 This is a Percentage Rate Tender. Percentage Rates to be quoted above or below the estimated cost shall be applicable to each and every item rate given in the price bid format. The rate quoted by the tenderer shall be the total sum of material & labor at the IIM Lucknow Noida Campus, including of GST.

The rates given in BOQ are just reference rates and are inclusive of GST component applicable as on date. So whatsoever percentage below or above quoted by bidder shall be inclusive of GST @ 18% as applicable for each and every item. **The reverse calculation of GST component from the overall billed amount will be done while processing the bill.** GST TDS

(CGST, SGST) of 2% shall also be deducted from each and every bill of contractor. Please read the BOQ items thoroughly as some requirements as per the site had been added in the item specifications of the BOQ.

In case there is variation occur in GST rates as per Govt. of India i.e. if GST variation in rate is above 18% then additional percentage above 18% (Applicable rate% - 18%) shall be paid by the Institute and if GST variation in rate is reduced from 18% then the percentage difference below 18 % (18 % - Applicable Rate) will be recovered from the contractor.

IIML can demand E way Bill of the raw material. Contractor cannot deny for the submission of the same and Should Keep a copy with him.

3.7 If any discrepancy / misprint is Noticed in specification or BOQ or rates, it should be clarified from the Institute before quoting the rate.

If any discrepancy in between the price bid format of this Tender document and macros enabled excel file of the actual price bid on CPP portal is observed by the Bidder or if any item unit/ rates are found illogical/ impractical then in that case the same has to be brought to the notice of the Institute before the last date of submission. So that the required correction/ corrigendum can be made. If such issue is found at the later stage after award of the work either by the Contractor or by the Institute, then the logical decision based on the standard practice and as per the Institute's internal documentation shall be taken by the Institute and the same decision will be binding to the contractor and no claim whatsoever will be entertained in this regards

3.8 Following procedures shall be adopted in case of difference in quoted rates in figures and words and extensions:

- a. Where there is difference between rates in figures and the rates, quoted in words shall be considered as correct.
- b. Where the amount of an item is not worked out or it does not correspond to the rate either in figure or in words, the rates quoted in words shall be considered as correct and necessary extension made.
- c. Where the rate quoted by the tenderer in figures and in words tally, but the amount is not worked out correctly, the rates quoted by the tenderer shall be considered as correct and amount shall be corrected accordingly.
- d. In case there is discrepancy in between the unit/ rate/ rates of any/ some items stipulated in Financial bid and sample price bid enclosed with the Technical Bid, the same has to be brought to the Notice of the Engineer in charge and his decision will be final and binding to both the parties.

3.9 The Indian Institute of Management, Lucknow do not bind themselves to accept the lowest or any other tender and reserve the right to accept or reject any or all the tenders either in full or in part without assigning any reason.

The Defect liability period will be 12 months from the date of completion except any item of waterproofing work. The Retention money/ Security Deposit deducted above shall be refunded to the contractor after the completion of the stipulated Defect liability period. No interest shall be paid on this retention money/ security deposit.

3.14 This being Percentage Rate contract, the rate quoted shall remain firm and errors if any in the extension / total shall be subject to corrections. The Estimated quantities/ Amount of Work involved stipulated above/ in the price bid are approximate and hence any reduction / increase thereof during the currency of the contract shall not vitiate the contract. The approximate estimate value of this work is indicated in NIT. This estimate and Quantity however are not guarantee and merely given as rough guide, and if the work costs more or less or the Quantities varies to any extent plus or minus, Tenderers will have no claim on that account.

3.15 The tenderer shall not be at liberty to withdraw or modify his tender or any terms and conditions thereof before the expiry of said period. Tenderers are expected to clarify only such points as asked for specifically by the Accepting Officer in writing. Any withdrawal or modification made within the said period constitutes breach of contract and the tenderer shall be liable for damages to the Institute in consequence thereof. He shall in addition forfeit to the Institute, the EMD.

3.16 Any tender which propose any alterations to any of the conditions lay down or proposes any other conditions of any description whatsoever is liable to be rejected.

3.17 The EMD shall not carry interest and will be refunded to the tenderers, if the tender is not accepted, unless the same is forfeited to the Institute for any breach on his part. If his tender is accepted, the Earnest Money will be converted into Performance Security Deposit as stipulated.

3.18 The drawing (if any) should be returned along with the tender documents with duly signed.

a) The tender should be accompanied by a certified true copy of the power of attorney of the signatory of the documents. b) Tenderers shall ensure that their tender is up loaded well in advance before the time and date stipulated in the tender notification/documents.

3.19 Under no circumstances will a Father and his Son(s) or other close relations who have business dealing with one another be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tender of both parties liable for rejection.

3.20 The submission of a tender by a tenderer implies that he has read all the terms and conditions of contract and has made himself aware of the scope and specifications of the work to be done and local conditions and other factor bearing on the execution of the work.

3.21 The agencies whose contract were terminated/ are in litigation with IIM Lucknow or are debarred on account of non-performance in IIM Lucknow's work or have any criminal case in any police station/ court of India will not be eligible for bidding this tender.

3.22 Since, this is an electronic mode of tendering, any manual or mechanical errors committed before uploading or during the process of uploading the document shall bound to be duly accepted by the Tenderers. The Tenderers shall not have claim whatsoever in this regard.
